

DISCOVER THE DIFFERENCE AT BMSS

Just as our zebra stands out from the herd, our accounting firm stands out from the crowd. While most CPA firms focus on finding mistakes and looking backwards, our unique team has the vision to look forward and identify opportunities for the clients we serve.

So how do you find a firm that is
just the **right fit**
for **YOU?**

You just did.

Why Choose BMSS?

We Provide **Peace of Mind**

It is our ultimate goal to provide uncommon professional service for all. We strive to be intentional where others are unintentional. With our remarkable, talented team in your corner, success is on the horizon and peace of mind is just around the corner.

We Believe **Relationships Matter**

We take on your challenges as if they were our own and we celebrate your successes because ultimately, they are our successes too. You're not just an item on our to-do list... you're an extension of the BMSS family.

We Know That Every Client Has **Different Needs**

We recognize that no two clients are alike, which is precisely why our engagements are tailored to suit the particular needs of each client. We're large enough to offer specialized expertise, yet small enough to value personal relationships.

We Are One of the **"Best Places to Work"**

Our fun company culture and life / work balance plays a key factor in our incredibly high employee retention rate of 93%. That means each year, you'll be working with the same team that knows you, knows your business and knows your needs.

We Offer **Value-Added Solutions**

We don't want to just be your CPA, we want to be an extension of your business by helping you navigate challenges and be a part of the solution. This is exactly what led us to the creation of our sister companies to meet the wealth management, technology and human capital needs of our clients.
