

FILM & ENTERTAINMENT

You Focus on the Entertainment; We'll Focus on the Business.

You're talented and brimming with creative ideas. And naturally, you have challenges. In the highly competitive landscape of the film and entertainment industry, your creative ideas are what drive your success. As one of only a few Alabama accounting firms **providing accounting services tailored specifically to the entertainment landscape**, we specialize in working with both established and up-and-coming creative businesses. Our close relationships with the Alabama Film Office and the BDO Alliance **provide national-level resources with local knowledge.** You won't find many full-service accounting firms with our **experience and resources. We specialize in services for the film and entertainment industry** in Birmingham, making us the stand-out star in this unique industry.
