

# FILM & ENTERTAINMENT

**You Focus on the Entertainment; We'll Focus on the Business.**

**You're talented and brimming with creative ideas.** And naturally, you have challenges. In the highly competitive landscape of the film & entertainment industry, your creative ideas are what drives your success. As one of only a few Alabama accounting firms **providing accounting services tailored specifically to the entertainment landscape**, we specialize in working with both established and up-and-coming creative businesses. Our close relationship with the Alabama Film Office and the BDO Alliance **provide national level resources with local knowledge.** You won't find many full-service accounting firms with our experience and **resources. We specialize in services for the film & entertainment industry** in Birmingham, making us the stand-out star in this unique industry.
