

NONPROFIT

Helping You Build Long-Term Success

The most important goal for any nonprofit organization is to maintain the ability to carry out its mission. To do that, financial stability is a must. At BMSS, we are **well-versed in the challenges facing nonprofit organizations.** Our engagement team will work closely with your directors and key staff members to **focus on areas that are crucial to nonprofit entities;** donor scrutiny, regulatory compliance, funding and investment challenges and strategic planning. **An investment in our experience and expertise is a step toward a brighter and more secure future for your organization.** Whether you are an advocacy group, professional membership association, private foundation, social service organization or a faith-based group, we will formulate a plan to keep your mission moving forward.

- Evangelical Council for Financial Accountability

DID YOU KNOW?

We firmly believe in giving back to our community through the support of nonprofit organizations. Each year, our employees receive **three paid days to use for their own personal volunteer efforts** so that we can continue to foster a culture of giving back within our firm.
